rooftop raunch

“Honey,” I said to my wife, “this is hardly the time or place—”

“Says you,” Brenda cut me off. “How could it be any better? We’re stranded on our own little remote island, Chuck. Might as well have ourselves some fun until somebody comes along to rescue us.”

If they come along, I thought with a sense of foreboding. If not—well, we were goners for sure.

Brenda was right about one thing. We were isolated out here in the middle of nowhere, trapped on the roof of our ramshackle house which had succumbed to the worst flood in state history. Ours was the only abode for miles. All we could do was wait and hope for the best. I longed to hear the blessed sound of an approaching motorboat, longed to see Sheriff Baker cutting across the brown water and coming to our aid.

Otherwise . . .

I tried not to think about the alternative. Dying on this roof would be a horrible way to go. Succumbing to dehydration and hunger, getting weaker and weaker as the clock ticked, hoping against hope that the water would recede. Thankfully, we had a half gallon jug of sweet tea and a box of soda crackers, the only sustenance my wife had been able to grab when the water had come pouring into our home.

Brenda and I had foolishly stayed put, ignoring all evacuation warnings, ignoring the ominously rising water.

Big mistake.

Now I regarded my wife as if she had lost her mind. “How can you even think about sex at a time like this? Take a look around, Brenda. We’re in deep shit.”

“Stop overreacting, Chuck. I’m sure the sheriff is on his way.”

“Says you.”

“Nothing’s going to happen to us, baby.” She eyed the holstered .38 on my hip. “But you were

smart to grab your gun.”

While a frantic Brenda had collected the tea and crackers, I had hastily plucked my piece from the nightstand drawer, all the while contending with knee-deep water. The window above the kitchen sink had been our means of escape. For a skinny gal,

Brenda had shown remarkable strength when climbing onto the roof.

“I don’t know why I bothered,” I told her resignedly. “It might as well be a toy for all the good it’ll do us . . . stuck out here on top of our damned house.”

But I was wrong.

No sooner had the words left my mouth than the biggest alligator I had ever seen broke the surface of the water.

"Shit," I muttered, eyes fixed on its ridged spine. The thing was coming our way. And fast . . .

Registering the concern on my face, Brenda turned and looked at the water. "Oh no." She grabbed hold of my upper arm.

There was no need for me to tell her to back up. We were already sitting on the roof's peak. Higher ground didn't exist; there was nowhere else to go. And the gator wasn't messing around. It was hungry and determined to feed. Brenda and I were being served on a platter of aging roofing shingles I was too poor to replace.

"Shoot it!" Brenda screamed hysterically. She was standing now. We both were. She clenched my arm tighter.

The gator slid out of the water and onto the roof. It was even bigger than I had thought, a ten-foot scaly monster. It opened its massively powerful jaws, hissing and displaying a mouthful of menacing teeth. The creature moved with astonishing speed; stubby legs propelled it up and across the slanted roof.

Brenda shrieked with terror.

I cleared leather. Fired. Missed.

The bullet thwacked into the roof. The gator advanced. It was close enough to smell. The thing reeked of mud and death. I squeezed the trigger. The second round hit its mark, punching the ugly bastard between its yellow eyes, halting its progress.

Still, I shot it again and again, making damn sure the son-of-a-bitch was dead . . .

Brenda had been plenty horny before the arrival of our uninvited guest. Now, having watched me snuff the fucker with extreme prejudice, she was an out-of-control nympho.

This time I welcomed her advances. Hell, I thought, why the hell not? If I fucked her good and proper she just might shut up and leave me alone. So that's what I did . . .

We fucked right there on the roof beside the crumbling brick chimney, fucked like a couple of newlyweds on their honeymoon even though we had been married for eight years.

Brenda's clothes lay in a disordered heap beside mine, our discarded garments bearing silent witness to my plowing of her pussy. The sun was hot on my

back as I pumped between her skinny thighs, reaming her cunt with everything I had.

The roofing shingles must've been rough on Brenda's back, not to mention her bony ass, but she didn't complain, didn't say a word. Clawing my shoulders, she wrapped her spindly legs around my waist. Writhing beneath me, her hot breath in my ear, she clenched her cooze around my stiff rod.

I thrust repeatedly, all within a few feet of the dead gator.

"Oh, baby," Brenda said after I made her come, "let me finish you with my mouth . . ."

I pulled out and rose to my full height, standing there on our tiny little island as she knelt before me and devoured my cock. I closed my eyes, refusing to look at the muddy water, banishing all thoughts of the destructive flood from my mind. Brenda's talented mouth made it easy to forget our perilous situation.

She was pumping her head with frenzied lust when I heard the familiar whine of a motorboat. I

I pulled out and rose to my full height, standing there on our tiny little island as she knelt before me and devoured my cock.

opened my eyes and smiled. In the distance, I saw our savior approaching fast, so fast that I didn't even have time to tell Brenda.

Oblivious to the high-pitched motor, she kept right on polishing my knob until I withdrew and exploded in her face. Only then did she acknowledge Sheriff Baker. Still kneeling, she turned to face him.

"Howdy, Sheriff." Brenda wiped her mouth with her hand. "Boy, are you a sight for sore eyes . . ."

"Likewise," said the veteran lawman. Then he smiled wryly and addressed me. "Chuck, I think it's time for you to holster that thing."

I stood there like an idiot, not knowing if he was referring to my gun or cock. I played it safe by holstering both. He tossed me a rope. I tied it around the chimney, mooring his motorboat to our house. He leaped onto the roof with impressive nimbleness.

Sheriff Baker was no fat ass country bumpkin lawman. Oh no. He was smart. Lean. Mean. A real credit to his profession. We were lucky to have him, damn lucky . . .

He scowled at the dead gator. "Looks like you two had an uninvited guest . . ."

"I'll say," Brenda remarked, having covered her nakedness with my denim work shirt.

"Nice marksmanship, Chuck."

"Thanks, Sheriff."

He chuckled, eyeing both of us through his amber-tinted aviator sunglasses. "You two crack me up.

You really do. Screwing on the roof. I can't wait to tell my deputies . . ."

"We got bored," Brenda said.

"She's hard to resist," I added.

"I got here as soon as I could," Sheriff Baker told us. "Glad you two are okay. I was worried you

might've drowned."

"We climbed up here just in time," I said. "Of course, the house is ruined . . ."

"A house is just a house, Chuck. It can be replaced."

Sheriff Baker was right. Still, I felt awfully depressed about losing our home. We had flood insurance, sure. But we would be displaced for a long time. And all of our worldly possessions were ancient his

tory. Gone forever. Just like the dead gator. Or should I say “gators.”

Because a second one, this ugly bastard even bigger than the first, made its presence known. Brenda spotted it first.

“Sheriff!” She pointed at the water. “Look!”

Sheriff Baker grimaced at the fast-approaching gator. He didn’t hesitate. Calling on years of training and experience, he drew his .357 and assumed a two-handed combat stance. I thought about pulling my piece but decided against this. He seemed to have the situation well under control.

The lizard was out of the water and on the roof in a flash. Hissing and wearing an awful grin just like

finally.

“Is it dead?” Brenda asked.

“Deader than a doornail,” said Sheriff Baker. I breathed a sigh of relief. We all did.

“Let’s get the hell out of here,” I said. “It won’t be long before the buzzards show up to feast on these carcasses.”

“Feast,” Brenda remarked. “I can think of something I’d like to feast on right about now . . .”

Here we go again, I thought. Repeat performance. My wife was a hopeless case. Watching Sheriff Baker kill the gator had made her horny. Or maybe it was just being saved that turned her on. Sometimes I wish I was a mind reader. Either way, she made her desires abundantly clear by offering to suck both of our dicks . . .

Sheriff Baker didn’t seem surprised in the least. Everybody in town knew that my Brenda was an unapologetic cum dumpster. Still, he looked at me and asked if it was okay.

“Whip it out, Sheriff,” I told him. “She won’t be denied.”

We stood before her, the lawman and myself, proffering our peckers for Brenda’s ravenous mouth. She did a stellar job. Sucking. Stroking. Licking. Lapping. I came first, shooting my second load of the day all over my wife’s face. It wasn’t long before Sheriff

Baker got his jollies by shooting much cum down Brenda’s throat.

She had just swallowed his wad when I heard the unmistakable sound of a helicopter overhead. I looked up. Sure enough, a local news chopper was circling the flood ravaged area. Aerial footage, I surmised, for their next broadcast . . .

“Smile, boys,” Brenda announced. “Looks like we’re on TV.”

She was right. The ten o’clock late news. Viewer discretion advised!

the other one, it made a beeline for Brenda. Despite its size, the gator was incredibly fast.

But Sheriff Baker was faster.

BOOM! BOOM!

Two rounds ripped through its hide in rapid succession. The behemoth slowed, but didn’t stop. Reduced to a crawl, it continued its dogged pursuit of Brenda. Hellbent, I knew, on making my lovely wife its next meal.

Sheriff Baker fired again.

Head shot. Perfectly placed. The gator stopped,

soft and slow

It's a special time. It's good to be young and in love.

The first thing she notices is that Jayson's truck is not in the driveway. It's Friday night. Mona just got home from class. She gets to the door, unlocking it, as she pushes it open walking inside. She kicks off her shoes, and drops her keys and books on the table. She turns towards the stairs climbing them slowly. She reaches the bathroom turning the shower on hot. Slowly she strips off all her clothes. She reaches above her head pulling her hair out as her curls fall over her shoulders slowly. She climbs in the shower. The hot water slowly cascading over her young body. She washes all over her body with just her body wash on her hands. She rubs her hands over her boobs, soaping them up slowly. She softly moans as her hands rub soap all over her sexy body.

She giggles a bit as she rinses her body just as slowly. Her hands wiping the soap away with clear water. She slowly washes, then rinses, her hair shutting the shower off. She climbs out putting her robe on throwing her hair up in a towel. She walks down the hall towards her room. She hears her phone ringing down in the living room. She turns back around running down the stairs hoping that they won't hang up. She reaches her purse grabbing her phone answering it slowly.

"Hello," she answers softly.

"Hey Mo, are you home yet?" Jayson asks on the other end.

"Yeah, I'm home. I just got out of the shower. Why Jayson what's up?" she answers kinda confused.

"I just wanted to make sure and let you know I will be home in a few. Can you do me a favor?" he asks.

"Okay, what do you need Jayson?" she asks.

"Well I'm feeling kinda lonely. Will you wear something sexy for me tonight? I know it is a lot to ask but if you knew what I'm thinking you would love it," he says soft and slow.

"Um, okay, I think I can manage that," she says all cocky.

"Okay see you soon," he says hanging right up.

Mona runs up the stairs to her room. She shuts the door behind her locking it. She dries the rest of her body off as she rummages through her sexy lingerie. She tries everything on until she decides on a corset set. She puts on a red and black leather corset, a black thong, black thigh high fishnets with a black garter belt and some black pumps. She puts her hair in pigtail french braids, and puts on her make-up. She finally emerges from the room all done she heads back downstairs.

Mona is sitting on the couch looking at the door out of the corner of her eye, watching the television with the other. Her body looking so perfect in her naughty little outfit. She sits flipping through the channels for about twenty minutes before she hears Jayson's truck pull in the garage. She walks out to the kitchen leaning over into the fridge shaking her ass. Jayson walks in from the garage right into the kitchen. He stops in his tracks. Mona can feel his eyes moving up and down her body. She stands up slowly turning to face him.

"Do I turn you on baby?" Mona asks grinning big. "Mona, I have wanted you since I first laid eyes on you. You are so perfect. I love you so much. But before tonight I have always felt you were too immature," he answered confidently.

"Well then come and get me, cause

I want you too," she says sitting on the counter before him.

Mona's eyes met his as he pulled her face to his. Her lips met his in a hot passionate kiss. Mona's eyes shut slowly as they kissed deeper. Jayson's hands ran down her sides making her shiver slightly. Mona slowly wraps her arms around his hard body. Her tongue playing with his ever so slightly as their lips dance over each other. She feels her ass being grasped lightly as he lifts her off the counter. She wraps her legs around his waist. She pulls her mouth away from his kissing, slowly trying to catch her breath.

"That felt amazing," Mona says still trying to catch her breath. "Well then I never thought you would say that about me, but I'm glad you did," he says as one of his hands slowly slips in

side of her thong. "Jayson, oh my god, please lay me down to do that."

"But Mona, I only want to tease you. Well for a little while at least." he says biting her neck as he runs his fingers over her tight, wet pussy lips. "Okay, Mo, do you want to do it right here or in my bed upstairs?" he asks slowly as he pulls his hand away from her pussy licking his fingers.

"I wanna go upstairs." she pants.

Jayson holds her around his waist as he slowly climbs the stairs. Mona stares into this eyes as he carries her up. Jayson brings her into the bedroom laying her gently on the bed. She looks up into his eyes as she pulls her thong off. Jayson unbuttons his jeans pulling his shirt up over his head. Mona licks her lips as she runs her fingers over her tight wet little pussy. Her eyes flutter as her fingers run slowly over her clit. Jayson's eyes watch her hand intently as

he pushes his jeans down and his cock pops out through his boxers. Mona raises an eyebrow as she licks her lips.

"Oh my god, your so big Jayson. I want to taste it so bad." Mona moves to her hands and knees crawling to the edge of the bed.

"Mona what are you going to do to me?" he asks grinning. "Just taste it a bit." she says pulling his cock deep into her mouth as she sucks on it hard. Jayson's body begins to shake gently. Mona's sucking harder, moving her head up and down. Jayson grabs her head, moving it faster in and out on his big, throbbing, hard cock. Mona's tongue slides around as she sucks, her hand massaging his balls slowly. She wraps her arms around his legs digging her nails in as she stares up into his eyes. Jayson lets go of her head and grabs the bedpost as he moans out loud.

"Oh my god, I'm gonna cum. Keep sucking." he says shaking hard as his cock spasms. Mona keeps sucking on his big cock as he explodes into her mouth. She swallows stream after stream of hot sticky cum. She jerks his cock getting every last drop out, pulling away, her eyes watering.

Mona looks up into Jayson's eyes. She moves her hands over her body. She slides a finger into her sexy little pussy. She moves it in and out – her mouth and face showing how good it feels. She stares at Jayson, waiting for him to come to her. He slowly climbs up the bed kissing up her legs. He gently bites her inner thighs. Jayson slowly slides his tongue over Mona's hard clit over and over again. Her legs tremble slowly as her pussy loosens up a bit. Jayson moves his thumb to her clit as he rubs it. Mona screams out.

Mona's body thrashes beneath his long wet tongue. She starts to hump up

into his face. She feels herself about to let go, clamping her pussy tight around his fingers. She grinds her clit up into his tongue. Mona shakes uncontrollably as she looks down. Her body lets go as she shakes so hard. He pulls away a little bit watching her pussy erupt. It shoots lady-cum up into the air. Jayson begins devouring it as Mona keeps cumming, covering his face. Jayson pulls away slowly, his face dripping in her honey. He licks his lips before slowly kissing her.

Jayson takes his rock hard cock into his hands as he pushes it into her tight wet hole. He works it into her gently. His eyes fixed on hers as she flutters below him. She pushes up a bit as her pussy takes more of his huge cock into her tiny body. He moves at an even pace as Mona wraps her arms around his body as she moves with him.

"Harder, baby, harder." she moans through her heavy breathing. Jayson keeps fucking Mona as he holds her to the bed. He leans over biting into her collar bone as they fuck. Her hands dig her nails into his back. Her pussy begins to spasm on his cock.

"I'm gonna cum all over your cock. Fuck me Jayson. Yeah, faster baby, faster." she screams as her pussy slowly explodes all over his hard cock.

"That's it baby keep going." he says as his body begins to shake. Mona keeps cumming all over him as she pushes up hard. He starts to breath heavy in her ear as he pushes in deeper. He lets go another thick load, pouring it into her tight mound. She lays there looking at him as he finishes cumming into her pussy.

Jayson pulls Mona to him as he cuddles her. She kisses him as she get comfortable in his arms. It is the first time she has ever let a man this close to her. She closes her eyes as she feels Jayson falling asleep with her, both of them naked in their warm cozy bed.
